

2nd Annual
HIGH CONSTRUCTION
Golf Invitational

FRIDAY, AUGUST 28, 2009
HERSHEY LINKS GOLF COURSE
HERSHEY, PA

PROCEEDS
TO BENEFIT:

Dear Friend,

High Construction is sponsoring its **2nd Annual Golf Invitational** benefiting Children's Miracle Network and Penn State Hershey Children's Hospital. The event will take place on **Friday, August 28, 2009**.

We realize that you have a choice where you contribute your charity dollars and hope you will participate and support this unique event that brings together the subcontracting community for a worthy cause—to help sick children in our community.

We wish to extend a BIG thank you to those businesses who participated last year. The day was an overwhelming success, with beautiful weather, a challenging course, a fine dinner, great prizes, camaraderie—and most importantly, more than \$15,300 raised to provide specialized care for sick children.

This year's event will be held at **Hershey Links** golf course with a four-person scramble format. It will begin at 12:00 p.m. with light lunch under the tent, shotgun start at 1:00 p.m., and a steak dinner/awards banquet immediately following, at approximately 5:30 p.m.

We are planning many exciting door prizes this year, if you recall some of the exciting gift certificates for spas, parks, sporting events, construction supplies, golf, hotels, and restaurants, as well as other prizes that we gave away last year.

There is a limit of thirty-two (32) foursomes for this event. All responses will be handled on a first-come, first-served basis. If you are unable to attend the golf event, we offer dinner-only seating for the banquet, or if you wish to make a monetary contribution, you may do so. See the Sponsorship Commitment form for more details.

Please complete the Sponsorship Commitment form and return it with your check no later than **July 10, 2009**. Contact Amy Martzall at (717) 390-4616 with any questions.

Sincerely,

A handwritten signature in black ink that reads 'Deron Henise'.

Anna - A Miracle Child

**High Construction 2nd Annual Golf Invitational to Benefit Children's Miracle Network
Hershey Links Golf Course - August 28, 2009**

Meet Anna

Anna Grove's bright blue eyes are the first thing many people notice about her. What you won't notice is any sign of the life-threatening condition Anna faced when she was just a few months old.

Anna was born at Reading Hospital in June 2007. At 6 pounds 1 ounce, she was small, but healthy. That all changed four months later when Anna's mother, Rene, took her daughter to her pediatrician's office for a routine check-up. Doctors detected a heart murmur and diagnosed Anna with a hole between the two sides of her heart.

"I was in complete shock," says Rene. "I was in denial. I said are you sure you're talking about my baby?"

Anna was immediately sent to Penn State Hershey Children's Hospital where surgeons performed open heart surgery to repair the hole in her heart. "It was probably the worst moment of my life," says Rene.

The surgery was a success, and amazingly, Anna was able to go home just one week after surgery. Today, Anna is nearly two years old and very healthy. "She will have cardiology check ups all her life," says Rene, "but she looks great. She won't be limited in anything." Anna's future is certainly as bright as her blue eyes.
